

DONATIONS NEEDED!

ATTENTION WI BRANCHES

Due to the overwhelming success of the Shoebox Project for Women held during our recent Frontenac District AGM, we are inviting all KINGSTON AREA branches to participate in buying, packaging and decorating shoeboxes for women in need in our area!

Here is how it works:

- Each branch should buy and or collect items for shoeboxes
- Bring the items with you to the Area AGM
- Also bring shoeboxes (if you have some)

We will package, place a friendly note of kindness inside and wrap the shoeboxes. The completed shoeboxes will be delivered to the Ontario Provincial Police detachments in our area to distribute to women in need.

A list of acceptable items is attached for your convenience.
